What your profile can show

STOCK

Vehicle cards with price and labels

New, Price reduced, Under offer. Year, mileage, fuel and gearbox sit on every card.

VEHICLE SHEET

Gallery and features for each car

Up to 10 photos for each vehicle in a swipeable gallery, plus a short description and chips like aircon, service history, towbar and warranty.

FAST LOADING

Add many cars quickly

Paste a list with one car per line, duplicate a similar car, and mark sold cars with one tap.

SHARE

One link per vehicle

Send a single car to a buyer on WhatsApp. The preview shows that car's photo, price and town.

Three steps

1. Open your link
We send you a private link for your dealership listing.

2. Load your stock
Add vehicles with photos from your phone, or paste a list and add photos after.

3. You are live
Your stock shows straight away and your 60 days start.
