Free for 60 days

# Show your best properties, not just your phone number.

Turn your listing into a mini showroom. Buyers browse your homes with photos and prices, then request a viewing that lands on your WhatsApp.

See how it works

Your personal link arrives by WhatsApp. No payment details asked.

**Your profile, top to bottom**
Verified badge, open house banner, your properties

**Up to 5 properties, plus Recently Sold**
Each card shares as its own link with photo and price

**Team and instant enquiries**
Each agent gets a WhatsApp button; requests reach you on WhatsApp

Sample profile. Your own photos, prices and details go in the same places.

## What your profile can show

PROPERTIES

### Cards with price and ribbons

New, Price reduced, Under offer. Buyers see the price on the photo and swipe through your homes.

PROPERTY SHEET

### Each home gets its own page, with up to 10 photos

Up to 10 photos for each property in a swipeable gallery, plus bedrooms, bathrooms, garages, floor and erf size, description and features like pool or sea view.

TRUST

### Recently sold and your team

Sold properties move to a Recently sold strip. Add your agents with a WhatsApp button for each.

SHARE

### Share any single property

Every card has a Share button. The link opens that home, and the preview shows its photo and price.

## Three steps

**1. Open your link**
We send you a private link for your agency listing.

**2. Add your properties**
Type them in one by one, duplicate similar ones, or paste a list to add many at once.

**3. You are live**
Your showroom appears straight away and your 60 days start.

## Free and trial, side by side

| What buyers and you get | Free | 60-day trial |
|---|---|---|
| Properties shown | 1 | **Up to 5** |
| Property sheet with gallery and details | ✓ | ✓ |
| Ribbons, Recently sold, team and open house | – | ✓ |
| How viewing requests reach you | We pass them on by email | **Instant on WhatsApp** |

Larger agencies can show more properties on a higher tier. After 60 days the listing returns to Free unless you decide to keep the extras.
